1.

Ev'-ry flo-wer needs some rain,
if it shall bloom and grow.

Ev'-ry spring-time
needs the sun-shine,
to melt a-way the snow.

And like a sai-ling ship at sea
needs for the wind to blow.

Like a flo-wer needs the rain
Lord, I need you

Chorus:

Lord, I need you.

Lord,I need you.

Like a flower needs the rain,

Like the springtime needs the sunshine.

Like the sail needs the wind to blow.

Lord, I need yo-u so.

2.

In the mor-ning when I wake
I thank you for my life,
and in the bright-ness of the day-time
I want you by my side.

And when the dark-ness falls at last,
and time has come for rest.

I know you'll be there with me,
a-ll through the night.

Chorus:

Lord, I need you.

Lord,I need you.

Like a flower needs the rain,

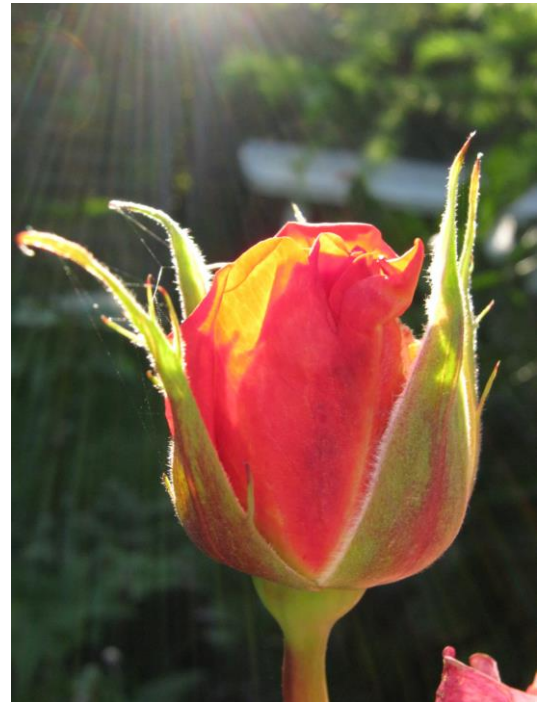

Like the springtime needs the sunshine.

Like the sail needs the wind to blow.

Lord, I need yo-u so. (en tone op x 2)

Like the sail needs the wind to blow.

Lord, I need yo-u so.
