

This Night, Tonight

Birgit Holm 2006

This night, to-night,
we go fly a-mong the stars.
Cause to-night, this night,
hope was born for us.
A new love, a new light,
that brigh-tens up the world.
it hum-bles the soul,
with for-gi-veness un-told,
and we shall en-joy,
ev-er-las-ting life.

This night, to-night,
the whole world is stan-ding still.
Cause to-night, this night,
the touch of God is near.
Be at peace, my de-light,
and rest your wea-ry heart,
for you and I, will ne-ver be a-part,
cause we shall en-joy,
ev-er- las-ting life

Yes, we shall en-joy,
ev-er- las-ting life
