

Where I Am Home

1.
I need you, oh, my Lord, to take ca-re of me.
No matter what it seems
you are there walking with me.
And when the road is rough
dear Lord you car-ry me.
And in your arms I know, I am home.

2.
And when my lights burn low under bushels of fate.
And tears are all I see,
you are there walking with me.
When "I" is hard to be,
dear Lord you car-ry me.
And in your arms I know, I am home.

3.
Oh, Jesus keep me safe in the palm of your hand.
Forever let me know,
you are there walking with me.
And when my light grows dim,
dear Lord, please car-ry me.
Cause in you arms I know, I am home.
