

You've got a friend

Tekst og melodi: Carole King

When you're down and troubled
and you need some love and care.
And nothing, nothing is going right.
Close your eyes and think of me
and soon I will be there.
To brighten up even your darkest night.

*You just call out my name
and you know wherever I am
I'll come running
to see you again.
Winter, spring, summer or fall
All you have to do is call
and I'll be there.
You've got a friend.*

If the sky above you
grows dark and full of clouds
and that old, northwind begins to blow
Keep your head together
and call my name out loud.
Soon you'll hear me knocking at your door.

*You just call out my name
.....*

Now aint it good to know
that you've got a friend
when people can be so cold?
They'll hurt you,
yes, and desert you
and take your soul,
if you let them,
oh, but don't you let them.

You just call ...

Aint it good to know
you've got a friend.
